

# Lake/Sumter County Solar Co-op Update

## Time is almost up!

All systems are go for co-op members who are going forward with installing rooftop solar on their homes. But time is running out to join in the fun. New member signup **ends October 30.**

If you are thinking at all about going solar, join the co-op now to learn more and receive a proposal prepared specifically for you. It's free and there is no obligation to purchase anything.
